Voting by proxy

If you cannot vote at an election in person, you can apply to vote by proxy (someone else voting on your behalf). You can use this form to apply to vote by proxy if you or your spouse or civil partner will be attending an educational course that means you cannot vote in person on election day.

Who can support my application?

- the director or tutor of your course
- the principal or head of the educational establishment where your course is taking place
- an employee of the educational establishment where your course is taking place who is authorised to support your application

What happens after I've returned this form?

- Your proxy must go to **your** local polling station to vote. If your proxy cannot get to the polling station, they can apply to vote for you by post. They can apply to do this up to **11** working days before election day. They should contact the electoral registration office for more details.
- Your proxy will be sent a proxy poll card, telling them where and when to vote on your behalf.
- You should let your proxy know how you want them to vote on your behalf, for example, which candidate or which party.

- If it turns out that you are able to go to the polling station on election day, you can vote in person as long as your proxy has not already done so and has not applied to vote for you by post.
- You will need to give your date of birth and signature on this application form. This information is needed to prevent fraud. If you are unable to sign this form, please contact your Electoral Registration Officer.
