

Application for Approval of Reserved Matters (following outline approval) - Validation Checklist

What information do I submit with my application?

National Requirements¹

Forms

- Completed form (3 copies to be supplied unless the application is submitted electronically) or application in writing containing sufficient information to enable the authority to identify the outline planning permission in respect of which it is made
- Such particulars as are necessary to deal with the matters Reserved in the Outline planning permission

Plans

Such plans and drawings as are necessary to deal with the matters reserved in the outline planning permission including:

- The National requirements are for 'a plan which identifies the land to which the application relates'. This shall be met by providing a plan based on an up-to-date map at an identified metric scale. For built up areas and within villages the location plan shall be at a scale of 1:1250 (or 1:2500 in the case of larger or more remote sites) and indicate the direction of North. Wherever possible the plan shall be scaled to fit onto A4 or A3 size paper. The location plan will clearly identify the land to which the application relates within a red line and within a blue line for any other land owned by the applicant located adjacent to the application site. Three copies need to be supplied unless the application is submitted electronically.
- Block plan of the site (e.g. at a scale of 1:100 or 1:200) showing any site boundaries
- Existing and proposed elevations (e.g. at a scale of 1:50 or 1:100)
- Existing and proposed floor plans (e.g. at a scale of 1:50 or 1:100)
- Existing and proposed site sections and finished floor and site levels (e.g. at a scale of 1:50 or 1:100)
- Roof plans (e.g. at a scale of 1:50 or 1:100)

Other Information

- The appropriate fee

 - Planning Statement
 - Regeneration Statement
 - Retail Impact Assessment
 - Statement of Community Involvement
 - Structural Survey (esp barn conversions)
 - Sustainable Drainage system details (SuDs) including management plans for future maintenance of surface waters.
 - Transport Assessment
 - Transport Form (Cumbria CC) link;
<http://www.barrowbc.gov.uk/residents/planning/development-control/planning-forms-and-guidance/>
 - Town Centre Use Assessment
 - Tree and Hedgerow survey to include trees/hedgerows present, trees/hedgerows to be removed, the extent of root protection areas, and a management plan for protecting trees/hedgerows during construction, to be in accordance with BS5837:2012
 - Visual Impact Assessment
 - Ventilation/extraction equipment details; scale drawings to include external appearance of flues also the noise ratings for fans and associated equipment
-

Other Local Requirements

- Where work is proposed in close proximity to a boundary, the details of eaves and foundations shall to be shown relative to the boundary to a scale of not less than 1:20
- Unique reference numbers are required on all plans and drawings
- All location plans must be correctly licenced and show a valid licence number. This is to ensure that the Council do not breach copyright or national agreements by displaying un-copyrighted material
- A clear, accurate, and full description of the proposed works is required
- Coordinates shall be provided if the site address has no postcode available. Applications for mast and Turbines developments to include exact coordinates of its proposed location are required together with any micro siting criteria.
- ALL plans must include a scale bar.
- If paper copies are submitted you must state the scale and original paper sheet size, in order to avoid confusion if the document is reprinted.

Finally

It will help if you;

- Include all of the information at the start
- Pay the relevant fee at the time of submission
- Include a document schedule
- Avoid the use of large file sizes (please contact us if files are unavoidably large)
- Please correspond via email
